

MARINE INDUSTRY DAY 2026

Exhibitor Opportunities

The GNOPSC Harbor Safety Committee is excited to provide exhibitor opportunities for our 2026 Marine Industry Day conference.

Exhibitor Space will include a table and tablecloth, power source, and wireless internet at the minimum.

Exhibitors will be centrally located in our networking and dining area at the Higgins Hotel. Feel free to reach out with questions about the location, floor plan, and/or your exhibiting space needs. Each space will be available for \$600.

If you are interested in exhibiting and would have any additional requirements for your space, please email Christine at christine.titus@louisianamaritime.org so we can ensure that your needs will be met.

Exhibiting at this event is a valuable opportunity to reach a diverse crowd representing a variety of operations in the maritime industry. With annual participation of over 200 people, this conference has been filled to capacity for the past several years and we anticipate that trend will continue.
